Subject: Re: [EXTERNAL] project review package for EPA CWA action VA Cd and Am criteria adoption

Good morning Cheryl,

We have reviewed the project package received on September 13, 2018 for the referenced project. The following comments are provided under provisions of the Endangered Species Act of 1973 (16 U.S.C. 1531-1544, 87 Stat. 884), as amended, and Bald and Golden Eagle Protection Act (16 U.S.C. 668-668c, 54 Stat. 250), as amended.

We concur with the determinations provided in the Species Conclusion Table dated September 13, 2018 and have no further comments. Should project plans change or if additional information on the distribution of listed species or critical habitat becomes available, this determination may be reconsidered. If you have any questions, please contact me at (804) 824-2405, or via email at emily_argo@fws.gov.

Kind regards,
Emily
